

QIS Accredited Churches and Organisations

The total number of organisations that have completed QIS up to **Foundation Level** is 118 network members from 11 countries. These improvements are benefitting over 2,418 workers and 91,520 children.

58 churches and organisations have completed Viva's QIS training to **Accountability level**. 756 workers have participated in the training which has benefitted approximately 28,535 children immediately, yet this number accumulates over years of improved practice as new children come into the care of these organisations. You can see a list of organisations accredited to Accountability level below:
